Comments:
i feel the shop would produce serious safety issues relating to increased vehicle movements in and around the childrens play area and problems with vehicles parking on what is a very narrow road. the park is currentlty a very safe area for children to

play in and i feel that if a shop is built i would be very concerned about the children playing in the park because of both the extra vehicles and people hanging about outside the shop. i also feel i would be very vulnerable to robbery if nobody is living there. i am also concerned that the bus service may be stopped if access proves difficult for buses due to badly parked cars. i feel the high street would be a much better location and that the old village shop should have been sold as a going concern and not be allowed to be converted into a private dwelling.
